Velvet
large

Velvet
maxi

Pre-finished two-layer wooden floor made of a solid wood top layer assembled with a birch multilayer plywood support.

Tongue and groove profile and **bevels on the four sides** allow a perfect junction and a fast and precise laying.

Brushed surface, suitable for domestic rooms, and different colour finishing make of this product the main character of your house.

Velvet line fulfils the desires of those who want a warm and elegant floor, such as wooden floor is, but pretend a simple and effective maintenance.
